## TANA BUSCH, D.D.S., M.S.

Dr. Tana Busch is recognized as one of the statewide leaders in her profession. Since opening her practice in Austin in 1987, Dr. Busch has dedicated her time and efforts to developing and expanding her program of health-centered and relationship-based dentistry.

After graduating with honors in 1980 from the Texas A&M University biomedical science program, Dr. Busch studied at the University of Texas Health Science Center in Houston, and completed a graduate degree with honors in 1987.

She has continued her post-graduate education and is a mentor of the esteemed Kois Center for Advanced Comprehensive Restorative Dentistry.

Dr. Busch's passion for dentistry extends well beyond the office. She lectures dentists and dental assistants throughout the United States. She is a co-founder of the Center for Dental Professionals in Austin, Texas, where she serves on the board and faculty. She also has volunteered with Christina Smiles, a dental program that provides free care to disadvantaged children across the United States. Dr. Busch supports the University of Texas Women's Athletic Department with their dental needs.

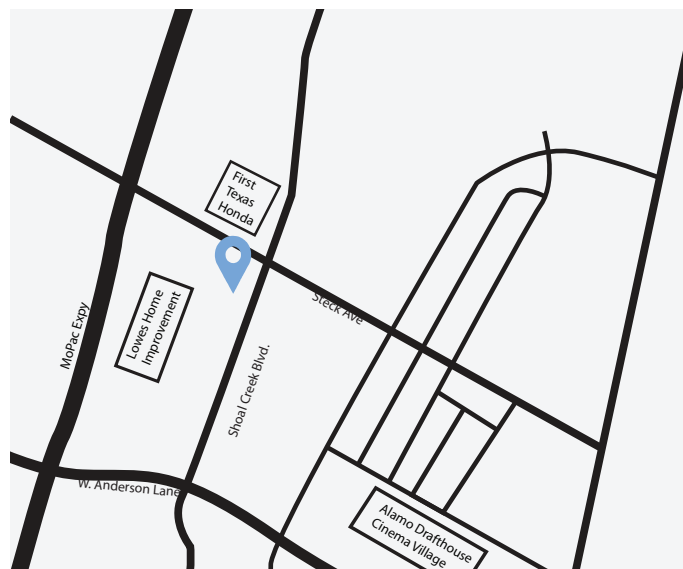

## KEVIN DEUTSCH, D.D.S., M.S.

Dr. Kevin Deutsch received his undergraduate degree from the University of Colorado at Boulder. He then attended the University of the Pacific Arthur A. Dugoni School of Dentistry, where he graduated with high honors. While in school, Dr. Deutsch served as president of Pacific's honor society, and as a representative to the American Dental Education Association.

After dental school, Dr. Deutsch served as a general dentist in the U.S. Navy where he was given the opportunity to work with specialists in a variety of fields. He served two years on the aircraft carrier, USS Nimitz, including an eight-month deployment in support of Operation Enduring Freedom. Dr. Deutsch practiced dentistry in San Antonio prior to joining 8118 Dental Professionals.

Dr. Deutsch is committed to continuing his education to provide the highest level of care. In addition to general dentistry, he also provides Invisalign services and helps patients manage anxiety through sedation.
